NEWS YOU CAN USE FROM YOUR UCF LIBRARIES

Research Time Saver

Use **Credo Reference** online when you need to look up facts or find background information for a paper. Credo Reference online offers access to sources from the world's best publishers and covers most major subjects.

It's easy to access, just click "C" at the top of the *Articles & Database* page @ <http://library.ucf.edu/Databases> (you'll need to log in first, if you're accessing it from off-campus), and then click

CREDOreference

So check it out the next time you need a reliable source to find:

- the name of the scale used to measure the severity of **Tornadoes**?
- background information on a famous artist or art movement,
- a diagram of the respiratory system, or a quotation about "love."

The library is happy to announce we now have a small collection of **FILMS ON DEMAND** !
